

Registering and Creating a Username and Password for my-iPlan

Transforming the learning experience

Using my-iPlan

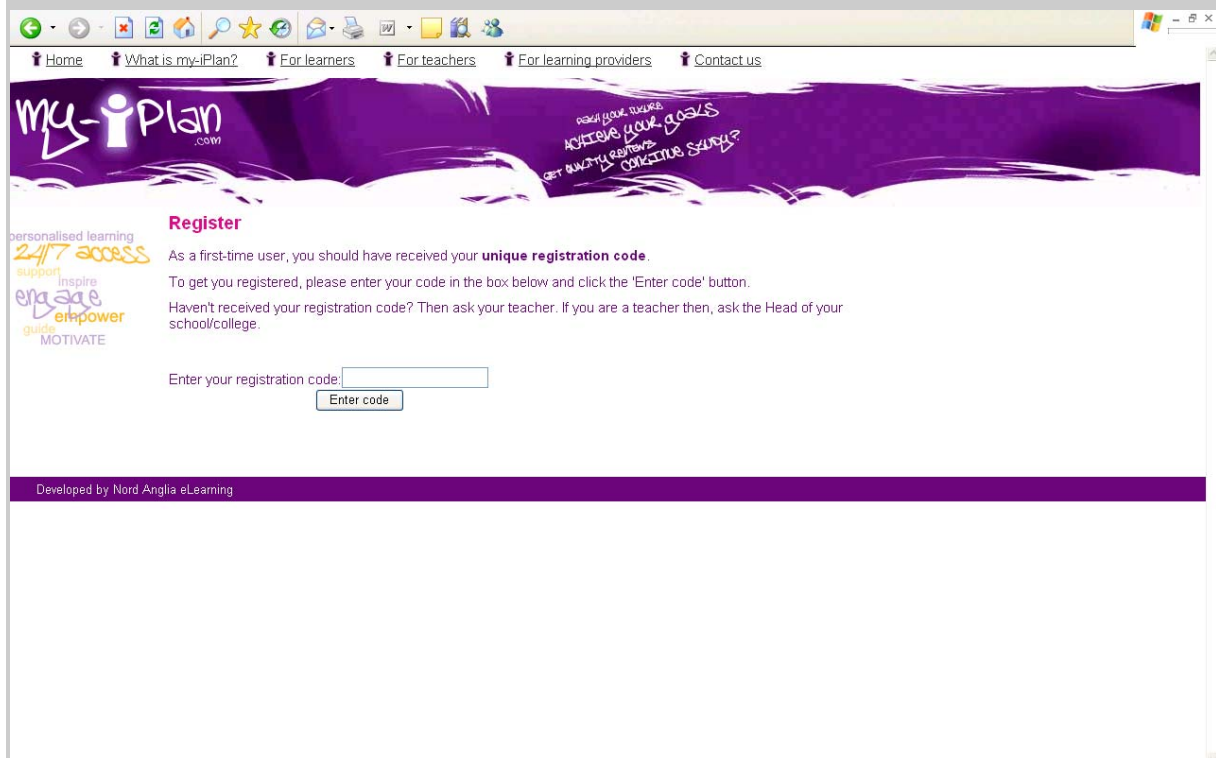

Task 1: Access the my-iPlan website and login as a trusted adult

You will need to be on a computer which can access the internet.

ACTIVITY 1A

Firstly access the my-iPlan website by typing <http://www.my-iplan.com> into your internet browser.

Once the my-iPlan homepage has loaded find the label - 'New user?'. Underneath this label click the box 'Register now'. You will now need your unique registration code.

The screenshot shows a web browser window displaying the my-iPlan website. The browser's address bar shows the URL <http://www.my-iplan.com>. The website has a purple header with the my-iPlan logo and navigation links: Home, What is my-iPlan?, For learners, For teachers, For learning providers, and Contact us. Below the header, there is a registration section titled 'Register'. The text in this section reads: 'As a first-time user, you should have received your unique registration code. To get you registered, please enter your code in the box below and click the 'Enter code' button. Haven't received your registration code? Then ask your teacher. If you are a teacher then, ask the Head of your school/college.' There is a text input field for the registration code and an 'Enter code' button. The footer of the page says 'Developed by Nord Anglia eLearning'.

Enter your 12 letter log in code. You will only need to use this once.
